

GOVERNMENT COLLEGE OF ENGINEERING AURANGABAD, CHHATRAPATI SAMBHAJINAGAR

E-SPORTS (BGMI)

1. EVENT HIGHLIGHTS:

- The BGMI Tournament is a high-intensity esports showdown designed to bring together the most skilled and strategic players, where teams battle across iconic maps under competitive conditions to prove their dominance, teamwork, and tactical excellence.
- This event aims to create an immersive competitive environment that mirrors professional esports standards, offering participants a platform to showcase their gaming abilities, decision-making skills, and coordination in a pressure-filled battlefield.
- The tournament not only emphasizes competition but also promotes sportsmanship, discipline, and respect among players, fostering a positive and professional esports culture within the gaming community.

2. EVENT ELEMENTS:

- Placement in each match (higher placement = more points).
- Kills earned by teams during matches.

Maps like Erangel, Miramar, Sanhok, Vikendi are typically used.

- Rules may specify custom room settings (TPP/FPP, red zone off, etc.).

Qualifiers: Initial phase where many teams compete to advance.

- League / Round Robin: Teams play groups of matches to earn points.
- Semi-Finals / Playoffs: Top teams from earlier stages fight for final slots.
- Grand Finals: Final stage with the best teams competing for the title.

3. RULES & REGULATIONS:

1. General Rules

- The tournament will be conducted on Battlegrounds Mobile India (BGMI).
- All players must report on time.
- Only registered players are allowed to participate.
- Players must use their own mobile devices and internet connection.
- Misconduct or abusive behavior will lead to disqualification.
- Organizers' decisions are final.
